Junior Friends are 'tweens and teens, 12 to 18, who volunteer their time at the library. They are the heart and soul of our Children's and Teen's Summer Reading Programs. We couldn't do it without them.

Junior Friends help kids and teens register for the reading programs, record progress, and distribute rewards.

Junior Friends must be available a minimum of 16 hours during the program, an average of two shifts per week, two hours each, plus one Saturday a month. The program runs from June 13 - July 30. If you are willing to work more hours, please indicate that on the other side of this form.

Being a Junior Friend is a great way to make new friends and to show the world that you are ready to handle responsibility. It looks good on job, scholarship, and college applications.

By filling out this application, you are agreeing to put in the time, dedication, and willingness to work that is needed.

Near the end of the Summer Reading Program, we will have a lock-in to thank our Junior Friends for volunteering at the Library. Permission slips are required for the lock-in and will be handed out in July.

Please fill out this application and return it as soon as possible. All applications are due by **May 31, 2022.**
